Trying out Tools *For Genealogists*

There are lots of tools that assist us as genealogists. We will explore many of them. Come and check them out. See what might help you to use your time more wisely.

- Dropbox is a free cloud backup for your research
- Zotero is a free research assistant
- Scapple is a free chart maker
- Lucidchart is a chart making website \$
- Grammarly is a program that checks your grammar and spelling
- NotePad is a transcription aid and WORD ART is another free chart builder
