● **Utilizing Ancestry's Databases: Beyond 'Search'**

Learn to utilize Ancestry's databases beyond the "Search" page to improve your research results. Learn about their card catalog, lesser-known databases, and tips for deeper searching. Techniques learned are applicable to nearly all online repositories. Most (if not all) online collections have a "card catalog" or "collections" feature allowing you to see the specific databases they hold. Let's explore!

● **Intermission: Snacks & Prizes**

● **Census Hurdles: How to Jump Over or Go Around**

This program shares some tips and tricks for overcoming common and uncommon census research obstacles. Cari will cover topics such as language barriers, literacy, indexing errors, imaging errors, errors (accidental), and errors (intentional). Using examples, she will demonstrate each of these issues and suggest solutions for overcoming them.

Cari A. Taplin is related to Roy Rogers. Or at least that's what her family told her. As a result, finding her true heritage has been her focus since the year 2000. She is a native of Wood County, Ohio but now lives in Longmont, Colorado. Cari holds the Certified Genealogist® credential and has served in a wide variety of volunteer and leadership positions for state, local, and national societies. As the owner of GenealogyPANTS, she provides speaking services. She also lends help and shares her expertise as an administrator on the highly popular Facebook Group "The Genealogy Squad." Cari currently works for Ancestry ProGenealogists. Cari's personal research focuses on midwestern and Great Lakes states. When she's not working on her genealogy, she is a wife, and a mother of two young adults.
