Suncoast Genealogy Society

25 Oct 2025 SGS Mini-Seminar

1:00-4:00 pm, Palm Harbor Library

Speaker Live on Zoom

Lisa Louise Cooke

October Hybrid Mini-Seminar

Lisa Louise Cooke is the author of several books including *The Genealogist's Google Toolbox*, 3rd edition. She produces the popular Genealogy Gems Podcast, as well as videos through the Genealogy Gems YouTube channel and a Premium Membership service at her website at GenealogyGems.com. She also writes a regular column for Family Tree Magazine and produces the Family Tree Magazine Podcast.

TOPICS

Make AI Your Personal Genealogy Assistant

Discover how Artificial Intelligence tools can act as your personal genealogy assistant. Learn the best strategies for using AI to help you with a variety of genealogy tasks, from organizing information to identifying new research avenues. This session also covers how to automate repetitive tasks and streamline your genealogical workflow. Discover the incredible potential of AI to enhance your genealogy research!

Photo Identification & Discovery: 3 Case Studies

In this session, you'll see how free tech tools and some creative sleuthing strategies turned unidentified photos into identified treasures. These techniques are also excellent for making new photo discoveries. You can do this too, and this class will show you how!

Members - \$10, Guests - \$25
