St. Petersburg FSC, 9000 106th Ave N, Largo, FL

Since the Palm Harbor Library is not available for our May 23rd meeting, we are going on a field trip to the St. Petersburg FamilySearch Center. The Director, Jimmy White, will give us an orientation to the resources available at the FSC. There is much more than just FamilySearch!

We will meet at the FSC at 10:30 AM. After our orientation, you will have time to do your own research with the support of the FSC staff. This is a great opportunity to view those locked records that you can not see from home. More details to follow. There will also be a sign up sheet available in April.

Space is limited, sign up at the April meeting or contact Ann James, jamesamsj@aol.com, (727) 791-1983. SGS members will have preference.
